HONOURS AND AWARDS

18/12/2022
Idea-To-Scale Startup Competition winner – Innovation Training Park - ITP

Won the Idea-to-Scale Startup Competition organized in Prizren with a winning price of a 15000 Euros program, with my innovative idea of creating a digital ordering system in gastronomic businesses which would solve a lot of problems. The benefits of this system

are Improved efficiency, reduced wait times, enhanced accuracy, personalization, contactless experience, upselling opportunities, reduced labor costs, data insights, integration with loyalty programs, digital payment options, feedback and reviews, reduced paper usage, etc.
Overall, a digital ordering application can significantly enhance the dining experience for customers, optimize restaurant operations, and drive business growth.

CONFERENCES AND SEMINARS

09/11/2023 – 10/11/2023 Prizren
Bridge Conference 2023 Presentation Certification

Presented the paper titled "A Proposed System for Real-Time Face Recognition: Enhancing Access Control, Security, and Efficiency in Cross-Domain Applications" at the esteemed BRIDGE 2023 Conference. The conference, centered around the theme "The Future of Science: Challenges and Opportunities." Delved into discussions on cutting-edge technology, societal impacts of science, science's role in policy-making, and challenges in science education. This enriching experience allowed me to share insights, engage in thought provoking discussions, and network with fellow researchers, academicians, and industry professionals. Grateful for the opportunity to contribute to the dialogue on the future of science and explore potential collaborations in an atmosphere of academic excellence.
